

Old Trail Printing's Digital Asset Management service provides you with the ability to store, catalog and manage all of your digital assets. You can allow 24/7 access to any combination of files to your design / marketing / sales teams wherever they may be located. Access is dependent only on an internet connection and a web browser.

A few benefits of the Old Trail Digital Asset Management solution include:

- Keep all of your digital assets in one secure central location
- Secure access 24 hours a day, 7 days a week
- Easy-to-navigate and easy-to-use interface
- Requires no special software and works with all modern web browsers
- Check out the demo anytime at <http://www.oldtrailprinting.com> (services page)
