

The Old Trail Web Proof Approval system gives you fast, secure, easy-to-use access to your proofs from any location with internet access, at any time convenient to you.

A few benefits of the Old Trail Web Proof Approval solution include:

- Requires no special software and works with all modern web browsers
- Secure access so only you and your team can access your proofs
- Easy-to-navigate and easy-to-use interface speeds up your approval sessions
- Automatic notification when team members review, approve or reject proofs
- Fast-streaming view of your high resolution production PDF files
- Zoom in and see pixel-level details of your proofs
- Make detailed annotations to PDF proofs
- Approve and reject pages quickly
- Chat with other team members within the site while reviewing your proofs
- Interface can be designed for a custom look
